We want *you* to understand (and it is in *your* best interest to know) what *your* policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through *your* policy before *you* travel. Italicized terms are defined in *your* policy.

- To qualify for this insurance, *you* must meet all of the eligibility requirements.
- This insurance contains limitations and exclusions (i.e. medical conditions that are not *stable*, pregnancy, child born on *trip*, excessive use of alcohol, high risk activities).

- Contact the Zurich Travel Assist before seeking *treatment* or *your* benefits may be limited.
- In the event of a claim *your* prior medical history may be reviewed.
- It is *your* responsibility to be aware of *your medical conditions*. If *you* have been asked to complete a medical questionnaire and any of *your* answers are not accurate or complete, *your* coverage may be null and void.

It is *your* responsibility to understand *your* coverage.

If *you* have questions, call *your* broker or 1 855-337-3532.

IMPORTANT INFORMATION

Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. This policy also contains exclusions which apply to *injury*, *sickness* and/or *medical conditions* that existed prior to and/or during *your* trip. ELIGIBILITY REQUIREMENTS

APPLICATION

Your completed application form and *confirmation of coverage*, including all eligibility and plan classification requirements outlined therein is material to the risk and forms part of this policy.

ELIGIBILITY

You must meet the following conditions to be eligible for this insurance:

- (i) you must be over the age of 14 days, a Canadian resident and be covered by the *Government Health Insurance Plan (GHIP)* of your Canadian province or territory of residence for the entire duration of your trip;
- (ii) you must meet all the eligibility requirements outlined in **Section 1 - Eligibility Requirements** of the application form and you must qualify for one of the plan classifications outlined in **Section 3** of the application form.

If you do not meet all the eligibility requirements outlined on Page 1 – Section 1 of the application form, you are not eligible to purchase our Travel Medical Coverage.

POLICY TYPES

SINGLE TRIP PLAN

The **Single Trip Plan** option covers you for your single trip outside of your province or territory of residence. You must be eligible for coverage, as per **Section 1 – Eligibility Requirements** on the application form, when you apply for coverage, when you depart on your trip and on your policy effective date.

Coverage is provided to eligible persons and can be used to top up other plans. All terms, conditions, limitations and exclusions of this policy apply.

Coverage begins on the *policy effective date* as specified by you on the application form.

Waiting Period

If you purchase your policy after you have exited your province or territory of residence or after the *policy expiry date* of an existing policy, any sickness that manifests itself during the first 48 hours after the *policy effective date* is not covered even if related expenses are incurred after the 48-hour waiting period.

Coverage terminates on the earlier of the *policy expiry date* as specified by you on the application form or the date you return to your province or territory of residence.

Extended Absence from Canada: Provincial and territorial *Government Health Insurance Plans* limit the time a person can be out of Canada and still remain eligible for provincial/territorial coverage. Check your province/territory's health insurance plan for details. If you are no longer eligible for *GHIP*, contact your broker or DTGI to inquire about our Destination: Expat Essential Plan.

ANNUAL MULTI-TRIP PLAN

The **Annual Multi-Trip Plan** option covers you for an unlimited number of trips outside of your province or territory of residence up to the allowable trip duration, as chosen by you on the application form, during a 12 month period. If your health changes after the *policy*

effective date indicated on your *confirmation of coverage*, your eligibility will not be affected but coverage for that *medical condition* will be subject to your *pre-existing medical condition* exclusion.

The Annual Multi-Trip Plan cannot be purchased as a *top up* to another policy. All other terms, conditions, limitations and exclusions of this policy apply.

If you wish to be out of Canada for more than the number of days permitted by the plan you chose, you may purchase additional coverage for that period by calling your broker or The Destination: Travel Group Inc. at 1-855-337-3532 or 416-499-1900.

Coverage for each trip begins on the day you leave your province or territory of residence and terminates on the earliest of:

- (i) the date you return to your province or territory of residence;
- (ii) 11:59 pm on the last day of coverage permitted by the Annual Multi-Trip Plan duration you chose;
- (iii) 365 days after your *policy effective date* unless you have paid the required premium to renew your Annual Multi-Trip Plan and are eligible for coverage as per the eligibility and plan qualifications of the application form.

All trips made under any Annual Multi-Trip Plan must be separated by a 24 hour return to Canada.

The Annual Multi-Trip Plan also provides coverage for an unlimited number of days within Canada, excluding your province or territory of residence.

Accessible formats and communication supports are available upon request.

The maximum number of days for each trip outside Canada is as shown on your *confirmation of coverage* and will be counted starting the date you exit Canada. Trips within Canada are limited to the maximum number of days allowed by your *Government Health Insurance Plan (GHIP)*.

In the event of a claim under any Annual Multi-Trip Plan, proof of date of departure from Canada must be supplied.

Automatic Extension of Coverage

If you, your travelling companion or immediate family member travelling with you is hospitalized on your *policy expiry date*, your coverage will automatically be extended at no additional premium for the period of hospitalization and up to 72 hours after discharge.

In addition, coverage will automatically be extended for 72 hours when you are pre-booked as a passenger on a common carrier and:

- (i) due to extreme weather conditions, there is a delay of a common carrier, or
- (ii) a mechanical failure of your vehicle causes you to miss a common carrier.

You must provide documented proof of the cause for the delay that is satisfactory to the insurer.

Insuring Agreement

Subject to you meeting the Eligibility Requirements, as stated in Page 2, and in consideration for the full and correct premium received, the insurer will insure you against eligible expenses incurred as the result of an emergency, or pay benefits for other covered losses in accordance with the benefits under the heading "Benefits". All benefits and payments are subject to the terms, conditions, limitations and exclusions of this policy. The maximum *period of coverage* under this

policy shall not exceed 12 consecutive months. Acceptance of the application form and coverage under this policy is at the *insurer's* option. If *your* application form is not accepted, *you* will receive a full refund of *your* premium paid.

Your spouse, your blood relations if travelling with you or your substitute decision maker are appointed to act on *your* behalf in the event that, because of an *emergency, you* are unable to make the necessary decisions with respect to *your* health status.

Prior to *your policy effective date* you must complete, sign and date *your* application, and the correct premium must be paid in full. No coverage will be provided to anyone not named on the application form. Coverage begins at 12:01 AM on *your policy effective date* and terminates at 11:59 PM on *your policy expiry date*.

Your policy coverage may be declared null and void if:

- (i) the full and correct premium is not received;
- (ii) the cheque is not honoured;
- (iii) credit card charges are declined for any reason;
- (iv) *you* are ineligible for coverage in accordance with any section of this policy;
- (v) *you* have not completed any required application; or
- (vi) *you* are not eligible for the plan which *you* selected.

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount specified herein, less any applicable deductible amounts, for any loss or expense. We do not assume responsibility for the availability, quality, results or outcome of any treatment or service covered under the terms of this policy.

You must, at all times while *you* are covered under this policy, act in a prudent manner so as to minimize costs to the *insurer*.

Any provision of this policy which is in conflict with any federal, provincial or territorial law of *your* province or territory of residence is hereby amended to conform with the minimum requirements of that law, and all other provisions shall remain in full force and effect.

BENEFITS

Coverage will begin on the *policy effective date* specified on the application form.

Coverage will terminate on the earlier of the *policy expiry date* specified on the application form or the date *you* return to *your* province or territory of residence.

We will pay up to a policy maximum of \$5,000,000 CAD of the *reasonable and customary* charges for eligible expenses as a result of *your emergency*, but only when these expenses are not covered by *your Government Health Insurance Plan (GHIP)* or any other insurance coverage *you* have.

Covered expenses and benefits are subject to the policy maximums, terms, conditions, limitations and exclusions contained herein.

If applicable, *you* are responsible for paying the *deductible* amount shown on the application form for the covered expenses of each claim.

You must notify Zurich Travel Assist at + 1 (416) 260-4553 (collect) or 1-888-726-1839 within 24 hours of any

You will be responsible for payment of any remaining charges incurred unless *your emergency* prevents *you* from calling. *You* must call as soon as medically possible or have someone call on *your* behalf.

Following an *emergency*, when medical evidence supports *you* are medically fit to travel, Zurich Travel Assist, in consultation with *your* attending *physician*, reserve the right to transfer *you* to any *hospital* or to return *you* to *your* province or territory of residence prior to any further *treatment*. If *you* refuse to do so, then any continuing costs, incurred after *your* refusal, with respect to such *emergency* will not be covered and all coverage and benefits for that *medical condition* under this policy will cease.

If *you* elect to return to *your* province or territory of residence for further *treatment* and then travel again, any further expenses incurred relating to the *medical condition* for which *you* returned will not be covered.

Our policy allows *you* to make a temporary return to *your* province or territory of residence during the *period of coverage*. If *you* receive *medical treatment* during this temporary return to *your* province or territory of residence, any *treatment* relating to that *medical condition* will not be covered for the remaining *period of coverage*.

The *emergency* medical attention *you* receive must be outside of *your* province or territory of residence and be required as part of *your emergency treatment* and ordered by a *physician* (or a licensed dentist).

This coverage also pays for:

LIMITATIONS AND RESTRICTIONS

Pre-Approval of Surgery, Invasive Procedure, Diagnostic Testing and Treatment - Zurich Travel Assist must approve in advance any surgery, invasive procedure, diagnostic testing or *treatment* (including, but not limited to, cardiac catheterization), prior to you undergoing such surgery, procedure, testing or *treatment*. It remains your responsibility to inform your attending *physician* to call Zurich Travel Assist for approval, except in extreme circumstances where such action would delay surgery required to resolve a life-threatening medical crisis.

Failure to Notify Zurich Travel Assist - In the event of an *emergency* during a covered *trip*, you must call Zurich Travel Assist immediately, prior to seeking *treatment*. If it is not reasonably possible for you to contact Zurich Travel Assist prior to seeking *treatment*, due to the nature of your *emergency*, you must have someone else call on your behalf or you must call as soon as medically possible. Failure to do so limits benefits payable to:

- a) in the event of hospitalization, 80% of eligible expenses, based on *reasonable and customary* costs, to a maximum of \$25,000; and
- b) in the event of an outpatient medical consultation, a maximum of one visit per *sickness or injury*.

You will be responsible for payment of any remaining charges incurred unless your *emergency* prevents you from calling. You must call as soon as medically possible or have someone call on your behalf.

Transfer or Medical Repatriation - During an *emergency* (whether prior to admission, during a hospitalization or after your release from the

hospital), Zurich Travel Assist reserves the right to:

- a) transfer you to one of their preferred health care providers; and/or
- b) return you to your province or territory of residence, for the medical treatment of your sickness or injury without danger to your life or health. If you choose to decline the transfer or return when declared medically stable by Zurich Travel Assist along with your treating physician, the insurer will be released from any liability for expenses incurred for such sickness or injury after the proposed date of transfer or return. Zurich Travel Assist will make every provision for your medical condition when choosing and arranging the mode of your transfer or return and, in the case of a transfer, when choosing the hospital.

Limitation of Benefits - Once you are deemed medically stable to return to your province or territory of residence (with or without a medical escort) either in Zurich Travel Assist's opinion or the treating physician's opinion your emergency is considered to have ended, whereupon any further consultation, treatment, recurrence or complication related to the medical emergency will no longer be eligible for coverage under this policy.

Availability and Quality of Care - The insurer, along with Zurich Travel Assist are not responsible for the availability, quality or results of any medical treatment or transportation, or your failure to obtain medical treatment or hospitalization.

Benefits Limited to Incurred Expenses - The total benefits paid to you from all sources cannot exceed the actual expenses which you have incurred.

Act of Terrorism Coverage

Where an act of terrorism directly or indirectly causes you a loss for which benefits would otherwise be payable in accordance with the terms and conditions of this policy, this insurance will provide coverage as follows:

- We will provide benefits for eligible expenses, up to a maximum aggregate of \$35,000,000 (CDN) for each act of terrorism (up to two (2) acts of terrorism within a calendar year); and
- The benefits payable, as described directly above, are in excess to all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as excess) and will only become available after you have exhausted all such other sources.

Any benefits payable pursuant to our **Emergency Medical Insurance** shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by us, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by us, resulting from one or more acts of terrorism occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.

If, in our judgment, the total of all payable claims under one or more acts of terrorism may exceed the applicable limits, your prorated claim may be paid after the end of the calendar year in which you qualify for benefits.
